CNR PITTWATER & MAGDALA RDS, NORTH RYDE

TUESDAY 17 JUNE 2014

Cash Bar from 6.00pm – Dinner served 6.30pm

The World's largest English speaking Printing and Graphic Technology Exhibition is past. This evening event is your chance to hear first hand from those who attended the show, and whose job it is, to bring us up to date and to keep us informed about the major happenings in the rapidly changing environment in which we live and work.

Our special presenter will be industry commentator and veteran of many trade shows, **Andy McCourt**, who has worn the soles of his feet off, walking the halls of IPEX. He went in search of all that was new, all that was interesting and he came across some really fascinating technology.

Bookings at \$60.00 for members and \$70.00 for non members can only be made by email or fax to Mike Williams at mikewil@optusnet.com.au or fax to: 9648 1258

Bookings close at 12 noon Friday 13 June 2014

Payment can be made on site by cash, cheque or credit card. To facilitate entry to the venue, credit card phone bookings are the preferred option. Cancellations after the above date or the non attendance of booked persons will result in the full charge being applied
