

# SUPPORT THE PEOPLE IN PRINT

## SPONSORING THE LIA VICTORIA

**The LIA is the association for all people in print.**

Our members are dedicated to building the future of print & graphic communications by connecting, supporting, educating and celebrating the individuals involved at all levels, and across all facets, of the sector.

Each year, we provide technical training, publish information, provide support and expertise to RTOs and training organisations and conduct networking events to build relationships across the sector.

Through our graduate awards, we support the learning and career development of young people in the industry, and recognise those who achieve at the highest levels.

We are also committed to creating opportunities to promote the power of print in all its forms, by informing, equipping and resourcing the people who make it possible.

## WE NEED YOUR SUPPORT

The LIA is a not-for-profit association which relies on support from industry to continue to deliver events, programs and resources. We welcome new members, and are always looking for like-minded partners to provide sponsorship, event hosting and in-kind support.

Sponsorship of LIA Graduate Awards, events and other initiatives is a way to demonstrate your support for our industry – and promote your brand to the people in print.

Basic sponsorship levels are listed at the right; to express your interest, please fill out the form overleaf. To explore other opportunities to support LIA, email [victoria@lia.com.au](mailto:victoria@lia.com.au)

**Help build a brighter future  
...for all people  
in print.**
